My life way
My autobiography
My stages of being

I have a life
That goes fast
I show it to me
And show for us

{Bottoms}
Early childhood
Middle childhood
Adolescence

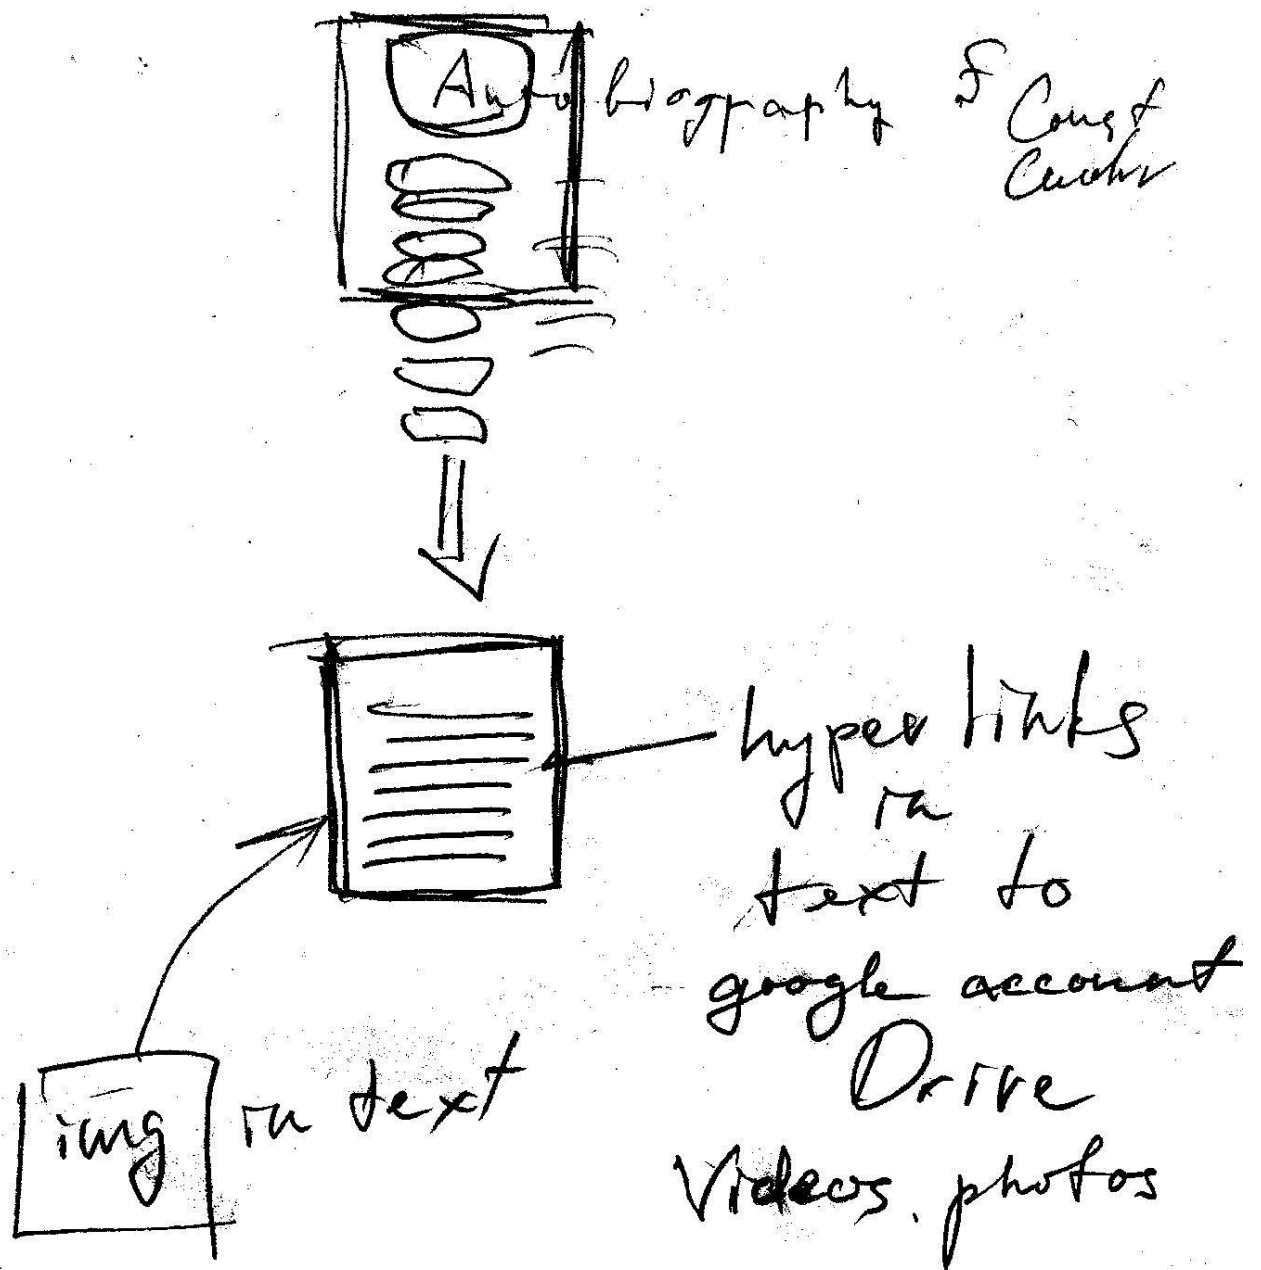

(This string of being
May be wrong
All humans can't remember strong
Because the brain

(I wish that I could write them
I talk with ~~other~~ ^{memory} to share

(I think that ~~memory~~ many
talk

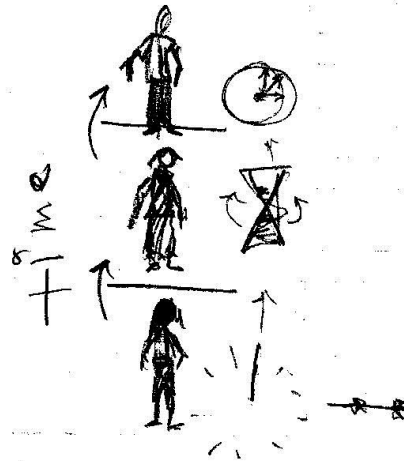

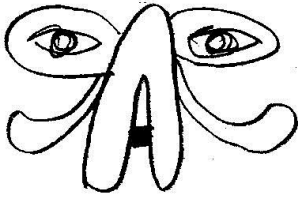

For people's life stock

You may watch through it
Predict like a clock to the
mist

text

My life way
My autobiography
History of being
and so

I have a life
That goes fast
I show all you
but show for us
but for us
